# TEACHING INNOVATIONS PROGRAMME IN ECONOMICS (TIPE)

February 7th -18th, 2022

**CENTRE FOR DEVELOPMENT STUDIES**

(Under the aegis of Govt. of Kerala & ICSSR, Govt. of India)

Thiruvananthapuram, Kerala, India

Teaching Innovations Programme in Economics (TIPE) is one component of the K N Raj Teaching and Fellowship Programme at Centre for Development Studies (CDS). Professor K.N. Raj, the founding father of CDS, was a builder of institutions and a visionary who strived to improve the quality of teaching and research in economics in Kerala and elsewhere in the country. In order to commemorate his life and contributions to the larger community, CDS is privileged to have the launched the Programme on the basis of a generous grant made available to it by the Government of Kerala.

The KN Raj Teaching and Fellowship Programme aims to improve the curriculum and teaching of Economics in Colleges and University Departments across India, particularly in Kerala. This is in response to a felt need to improve the quality of economics education at the undergraduate and graduate level.

The programme consists of two components.

1. Teaching Innovations Programme in Economics (TIPE)
2. College Mentoring Programme (CMP).

TIPE aims to strengthen the economics education by providing a week long intensive training on specific basic courses.

In College Mentoring Programme (CMP), CDS adopt Economics department of a government college for three years and provides following supports.

(1) Improving economics textbook collection of the college library, (2) Strengthening the computing facilities of the department, (3) Provide teaching support in subjects where department has deficits, especially in quantitative subjects, (4) Training the faculty of economics department, and (5) Extend access to CDS' academic activities and library to both students and department faculty.

## TIPE – Programme Structure:

The two week course would consist of taught sessions and interactive workshops on specific topics. Four broad topics would be covered in the course; Microeconomics, Macroeconomics, Econometrics and Issues in Indian Economy. The scheduled dates for the topics are as follows.
